### BeaverTails

Beavertails is a popular Canadian pastry food truck known for serving up delicious and iconic treats. The concept behind Beavertails revolves around a simple yet delightful idea: deep-fried dough stretched into the shape of a beaver's tail, which is then topped with various sweet and savory toppings.

These delectable pastries have been a favorite Canadian snack for decades!

## Cazba Persian Food

Cazba Persian Grill is a family owned and operated business. With currently 8 locations all over the lower mainland and with another 5 in construction Cazba is looking to be the household name when it comes to Persian food.

We thrive on making our kebabs on an open flame fire where everything is grilled and served to perfection!
